China-Europe Association for Technical and Economic Cooperation

## **Attachment 1:**

### China-Europe-Yulin Economic Cooperation Forum Schedule

#### **I. Name of the Conference:**

China-Europe-Yulin Economic Cooperation Forum

#### **II. Date and Time:**

Time: May 13 (Thursday) 09:00-11:30 AM

#### **III. Venue**

Lanxi Hall, 4th Floor, Lanxi International Hotel, Xi'an

#### **IV. Organization:**

Supported by:

Shaanxi Provincial People's Government

China-Europe Association for Technical and Economic Cooperation

(CEATEC)

Hosted by:

Shaanxi Provincial Department of Commerce,

Yulin Municipal People's Government,

CEATEC Shaanxi Office

Organized by:

Yulin Foreign Affairs Office,

Yulin Investment Promotion Service Center,

Shaanxi Office Investment Promotion Department of CEATEC

#### **V. Agenda (drafted)**

08:30-09:00 Playing the VCR on Yulin

09:00-09:50 Speeches

1. Leaders of Shaanxi Provincial People's Government, China-Europe Association for Economic and Technical Cooperation, Leaders of Provincial Department of Commerce, Leaders of Yulin City
2. The leaders of Yulin City introduced the economic development and industry of Yulin City;
3. Foreign guests delivering speeches
4. CEATEC Shaanxi Office delivering speech on industrial cooperation.

09:50-11:00 Panel discussion

11:00-11:20 Signing ceremony

## **VI. Chinese guests**

Shaanxi Provincial People's Government

Zhao Jing, Director of the Department of Commerce of Shaanxi Province

Chen Jingyue, Executive president of China-Europe Association for Technical and Economic Cooperation

Li Chunlin, Party Secretary of Yulin government

Zhang Shengli, Deputy Secretary of the Municipal Committee of the People's Government of Yulin City

Wang Huasheng, Vice Mayor of Yulin Municipal People's Government

Yang Yang, Director of the Development and Reform Commission of the People's Government of Yulin City

Shuang Yaping, Director of Yulin City Economic Affairs and Director of Municipal Foreign Affairs Office

## **VII. Chinese participating companies (part)**

China Forestry Group Corporation

China Digital Culture Group Co., Ltd.

National Base for International Cultural Trade, Beijing

China Sports International Economic and Technical Cooperation Co., Ltd.

China National Coal Group Corporation

Yulin Energy Group Co., Ltd.

Shaanxi Fruit Industry Group Yulin Co., Ltd.

Shaanxi Magnesium and Magnesium Industry Group Co., Ltd.

Yulin City Cultural Investment Co., Ltd.

Yulin Tourism Investment Co., Ltd.

**Request: to invest and operate infrastructure projects in Europe**

### **Western Superconducting Technologies Co., Ltd.**

Western Superconducting Technologies Co., Ltd.(WST) is located in Xi'an, the capital city of Shaanxi Province, with a registered capital of 53 million USD on 28 Feb, 2003. WST is one of the biggest research and development center for titanium and its related materials in China

WST has 5 Academicians of Chinese Academy of Engineering and Sciences as technical consultants. The R&D group is consisted of 10 professors, distinguished national experts. The team of management is made up of 5 doctors and one MBA master. There are about 800 employees in WST, in which near 50% of them graduated from universities with bachelor, master and doctor degrees.

WST has 3 workshops including melting, forging, precision forging and drawing production, 11 divisions, one testing center, and a R&D center. WST equipped with the most advanced 8 tons and 10 tons VAR melting furnaces imported from Germany, the latest version of Horizontal Forging Machine imported from Austria, and a set of 1000 tons, 1800 tons, 4500 tons and 8000 tons High Speed Forging Presses.

WST has 3 production area, the 1st area is located in Xi'an Economic-Technological Development Zone with 82,000 M2 for manufacturing titanium and superconducting products. The 2nd area is located in the same address with 110,000 M2 for superconducting magnet production. The 3rd area is located in the Xi'an Jing Wei Industrial Park with 208,000 M2, which have been put into production for melting workshop and forging workshop in 2018. Hot rolling mill is still under construction.

WST not only get the certificates of ISO 9001, AS 9100, Nadcap for Heat Treating and NonDestructive Testing, but also is certified by ISO 14001

of Environmental Management System and OHSAS 18001 of Occupational Health & Safety Management System.

WST can supply Ti-6Al-4V, Ti-6Al-4V ELI, Ti-6242, Ti-6246, Ti-6Al-7Nb, Ti-6Al-6V-2Sn, and C.P. titanium, Ti45Nb, NbTi, Ti-Nb-Zr in the forms of ingots, billets, bars, rods, wires, profiles, slabs and forgings used in aerospace, medical, automotive industries and other important industries. Our products have been exported to Europe such as Switzerland, The Netherlands, France, Germany, America and Japan, etc.
