ARTICLES

10 November 2015

A collection of European food and beverage brands will be exhibited in the European SME Pavilion at World of Food Beijing 2015 from November 18th to 20th.

All the exhibited brands are interested in the Chinese market and look for partners, including distributors, wholesalers, retailers and online selling platforms.

If you would like to see some samples of the products and learn more about the brands, please contact the Centre to set up meetings in the European SME Pavilion at World of Food Beijing 2015:
