On 27 October 2015, China and Netherlands signed the Memorandum of Understanding between the Ministry of Industry & Information Technology of the People's Republic of China and the Ministry of Economic Affairs of Kingdom of the Netherlands over the Civil Aviation Industry.

Both sides will establish a joint work group on cooperation over the civil aviation industry to enable the relevant enterprises and scientific research institutions of both sides to enhance communications, support cooperation over aviation technologies, encourage cooperation over the civil aviation industrial projects and push forward R&D and manufacturing of more advanced, efficient, environmentally friendly and safe aviation products through cooperation.
